

Excellus BlueCross BlueShield

is committed to making Upstate New York a better place to live, work and raise a family.

OUR MISSION

To help people in our communities live healthier and more secure lives through access to high-quality, affordable health care.

OUR VISION

To be recognized and valued as THE community and business resource for health care security through financial strength, effective cost control, ease of use, and commitment to health improvement.

We strive to improve access to care, advance specific health outcomes and support organizations in our community that share our mission through community investments and partnerships programming including:

CORPORATE SPONSORSHIPS

One-time funding opportunities that support a specific program, event or service

COMMUNITY HEALTH AWARDS

Through a competitive application process, Community Health Awards help fund health and wellness programs in our community with awards up to \$5,000

MACHI GRANTS

Multiyear programmatic partnerships with measurable outcomes for improving health in our communities

HEALTH EQUITY AWARDS

Health Equity Awards are a competitive funding opportunity focused on creating an environment of equity and access where everyone can reach their full potential

Diversity, equity and inclusion is a unifying principle that runs through all our community engagement activities. By building authentic connections with organizations that share in our commitment to diversity, equity and inclusion, we can better fulfill our mission.
